Stevie,

That's great. I still have problem access the FTP sites (no update information).

I will print out all the shipping records. I mark all the files with the date (the pdf file name). They are in the brown folder (marked Dimock-2012) on my desk. You are welcome to them. I will fill in the rest tomorrow.

Anching,

I was able to get on the site and see the COC. So I copied them all the Shipping directory under folder FTPuser.

I started adding samples to your file last night before I left.

Stevie

Hello,

COCs of samples shipped on Feb 8, 2012 from the Dimock Residential Groundwater Site have been uploaded to the EPA Region 3 FTP Site. Corrected COCs of samples shipped Feb 4, 2012 from the Dimock Site have also been uploaded to the FTP Site.

For quick reference, here is the FTP logon info.

Please note that you will have to browse to the Dimock>EPA Sampling\_2012>COCs folder.

Thanks,
